

The Joy of the Work

By Scott & Tracey Cate

As great as the joy of meeting brothers and sisters across the ocean, it has also been a joy to share the work of KOI with churches across the United States. Since our return from Jakarta in March, Scott has had the privilege of traveling to Oklahoma, Texas, Tennessee, Kentucky, and Ohio both to report to congregations already involved in the work, and to introduce the work to others. In the process, he has been reacquainted with several friends from his childhood, including **Herman and Charlotte Burrough**. Now living and worshipping in Oklahoma, they lived with their young family in Jakarta in the 70's and worshipped with the Cate family. Also a pleasant surprise to meet

the **Craig Ross family** while in Ohio. Craig's parents and Scott's parents met while attending church together in Oklahoma prior to the

Cate's moving to Indonesia. Now as both congregations provide support for KOI, we see God's loving provision for both the financial support of the project and the encouraging human relationships He uses to bless us. In Kentucky, he enjoyed greeting **Ken and Pat Metcalf** in their hometown congregation as we are accustomed to seeing them in Fremont while they visit their daughter and her family, with whom we have worshipped for the last 14 years. As we have travelled both in the United States and

abroad, we consider the connection we have that spans the miles and the years. "I thank my God every time I remember you..." (Philippians 1:3)

Our new friend, **Riris**, is an English student who comes to Connor's House to learn English from the Bible. She is a student of our brother and new friend, **Daniel**.

Daniel is now electronically equipped to provide **video**

conferencing that allows Steve to participate in the Bible teaching in both English and Indonesian from his

One Of The Triplets

home in Nebraska, transmitting audio and video to Connor's House, where he can interact with the Daniel and the students. Indonesian people appreciate learning English from Americans because knowing English provides them with many more educational opportunities, and university professors are often not proficient at teaching English. Information regarding the English class is transmitted on the Christian **radio program**. People are searching, and we want to help guide them to find what God offers. In addition, Riris is a Facebook friend, and has heard about the video conferencing, as well as Scott's return trip October 6, 2011. She posted "I miss you guys! I love you!" So genuine is her appreciation for the love we

"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel."
Philippians 1:3-5.
